9 December 2016

Dear Parent(s)/Carer(s)

We are writing to inform you that from September 2015 the School Age Immunisation Service (SAIS) for Derbyshire will be providing all immunisations for children and young people who are of school age.

In secondary schools the team will be offering all Year 9 and Year 11 pupils the Teenage Booster (Tetanus, Diphtheria and Polio) and the new Meningococcal ACWY (Men ACWY) which replaces the Men C.

Pupils at Granville can receive this service in school on **Thursday 9th February 2017**. Please find enclosed a consent form which needs to be completed to express whether you do or do not wish your child to receive this service. The form needs to be returned to myself in the First Aid office by **Friday 16th December** to then enable the SAIS team to process it before the immunisation date.

If you have any questions about this process then please, in the first instance, call me and I will endeavour to answer your questions or you can contact the Immunisation Service Team direct on 01283 707170.

Yours faithfully

Miss H Laud
Medical Welfare Assistant
